\*The Food Pantry is in need of student help the first Saturday of each month to help carry items. The volunteerism does count towards community service hours for students. School groups have participated in the past. If you know of a student or a group that would like to help you can contact Pastor Piel for more information. We will also add to the student announcements. Please let me know if you have questions.

\*The annual food drive will begin on Monday November 21st and run through Thursday December 8th. Our building goal for this year is 1500. If this goal is met Dr, Sieh will allow us a late start the day after Christmas break. All donations may be dropped off in Mrs. Renn's room.

\*The annual food drive is under way. Please challenge yourself to contribute 10 items to this great cause that serves our community. Donations may be dropped off in Mrs. Renn's room.

An information sheet will be sent home with your student but these are also on the front page of the school website at [www.scs-ne.org](http://www.scs-ne.org)
