The Friends of the Library will be hosting a kids' day event on Saturday, May 21st. Lots of fun activities planned for the day! If high school students can help out during this event, they would love to have them. They will need help with activities, managing kids, etc. This is a great opportunity for community services hours. If there are student organizations that would like to run an activity or "booth", please let me know and I will let the library committee know. Thanks! – Mrs. Hardy
