

**STANTON COMMUNITY SCHOOL DISTRICT #3**  
is accepting applications for

**High School Industrial Technology Teacher or Agricultural Teacher**

The Stanton Community Schools is currently seeking applications for an Industrial Technology (Skilled and Technical Sciences) or Agricultural Education for the 2025-2026 school year. Courses offered may include welding, basic construction, woods, and other courses based on the expertise of the successful candidate.

Stanton is located just 10 miles southeast of Norfolk and is a progressive school district looking to expand their Ag. Department. Coaching may be available with this position.

---

Our first-year teachers start on step 3 with base pay of \$43,092 plus full family health insurance, Single Dental, and Long-Term Disability. We also pay an insurance stipend if insurance isn't needed. We do accept all years of experience for veteran educators.

---

Please visit [stantonmustangs.org](http://stantonmustangs.org) to complete online application and attach your cover letter, resume, transcripts, certificate, and at least three reference letters.

Mr. Darren Soucie, Superintendent, Stanton Community Schools,

P.O. Box 749, Stanton, NE 68779 or email [darren.soucie@scs-ne.org](mailto:darren.soucie@scs-ne.org)
