Dear Staff & Patrons,

Stanton Community School District is happy to announce Micah Buller as the new secondary principal for Stanton High School. He is moving from Syracuse High School where he has served as a science teacher since 2018. Prior to his tenure at Syracuse Public School, he taught 7-12 High School Physical Science at Bancroft Rosalie Community Schools.

Mr. Buller earned a Bachelor of Science in Education and Human Sciences from the University of Nebraska-Lincoln and a Master of Education in Educational Leadership from Doane University.

Mr. Buller has experience from being involved with the Teachers Advisory Group, Marzano Art and Science of Teaching Pilot, Strategic Planning Committee, E-Sports program, Canvas and Infinite Campus technologies, Calendar Committee, Supervision of athletic events, Working with SIP Co-chair on school improvement and accreditation, and Internship experiences with three different 7-12 Principals. He also has been the Head Boys Golf Coach, Assistant Boys Basketball Coach and Assistant Football Coach.

Micah's dedication extends beyond the classroom, as he actively engages with parents, guardians, and the broader community. His inclusive approach to education ensures that all stakeholders are involved and invested in the success of the students and the school as a whole. We are excited to have him join the staff at Stanton Community Schools.

Sincerely,

Darren Soucie  
Superintendent
